

PART II
STATUS OF McINTOSH ALABAMA
50-100 MW
CAES PROJECT
by
Alfred H. Medley
Consultant

ABSTRACT

Subsequent To Mr. Ben Mehta's Status Review of the McIntosh CAES project, Medley will briefly discuss the first test well. The first four exhibits are taken from Medley's draft report on drilling results. The fifth exhibit is adapted from a Schlumberger report and the sixth is adapted from an EDCON report.
